Physician: Dianne Olbinado

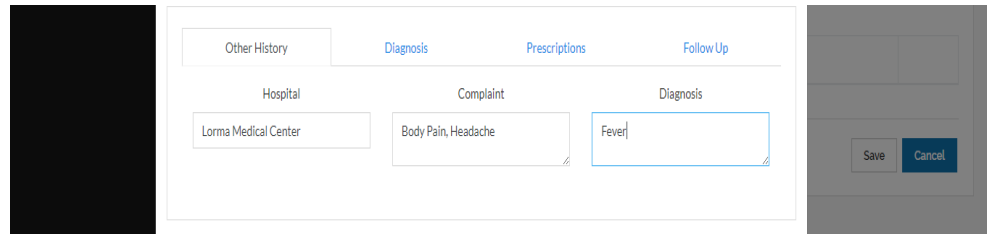

VITAL SIGNS

Temperature	Blood Pressure	Height	Weight
39	98/100	6'2	75

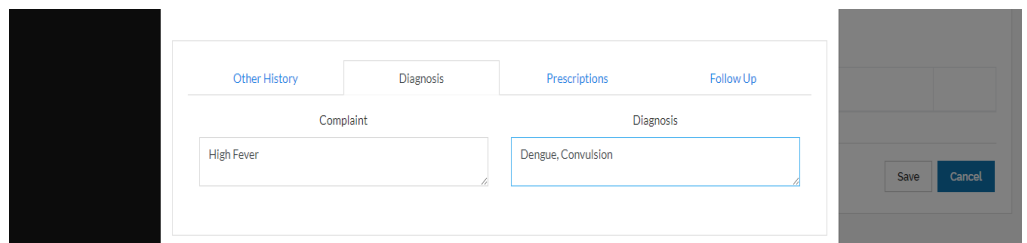

Save Cancel

5. So to these succeeding forms:

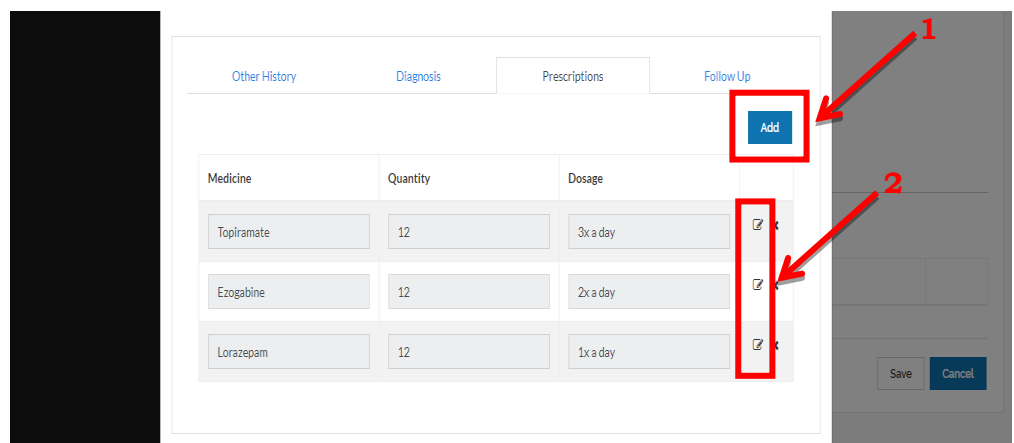

- **Other History** is optional; it is only for a patient who went to other hospital before consulting to Balaoan District Hospital.

- **Diagnosis Form**

- **Prescription Form** if there are many medicines given by the physician/doctor, click the **Add** button to attach more medicines. If all is set, click the **save** button for medicine.

Medicine	Quantity	Dosage	
Topiramate	12	3x a day	<input checked="" type="checkbox"/>
Ezogabine	12	2x a day	<input checked="" type="checkbox"/>
Lorazepam	12	1x a day	<input checked="" type="checkbox"/>

- **Follow-up Form** this form optional, it is for a patient that is needed to take another or follow up check up.

The screenshot shows a web application interface for a 'Follow-up' form. At the top, there are four tabs: 'Other History', 'Diagnosis', 'Prescriptions', and 'Follow Up'. The 'Follow Up' tab is selected. Below the tabs, there are two input fields: 'Date' with the value '03/21/2018' and 'Remarks' with the value 'Recovered'. To the right of the form, there are 'Save' and 'Cancel' buttons. A black rectangular area is visible on the left side of the form.

6. When everything is done and ready, click now the **Save** button to keep the patient record. After saving, click the **Close** button.

The screenshot shows a web application interface for a patient record form. At the top, there is a 'Physician' dropdown menu with 'Dianne Olbinado' selected. Below this, there is a 'VITAL SIGNS' section with four input fields: 'Temperature' (39), 'Blood Pressure' (98/100), 'Height' (6'2), and 'Weight' (75). Below the vital signs, there are four tabs: 'Other History', 'Diagnosis', 'Prescriptions', and 'Follow Up'. The 'Follow Up' tab is selected. Below the tabs, there are two input fields: 'Date' with the value '03/21/2018' and 'Remarks' with the value 'Recovered'. To the right of the form, there are 'Save' and 'Close' buttons. Red arrows and numbers indicate the sequence of actions: arrow 1 points to the 'Save' button, and arrow 2 points to the 'Close' button. A black rectangular area is visible on the left side of the form.

7. Added Patient Record.
